

Martin® Impacting Railcar Vibrator

The **Martin® Impacting Railcar Vibrator** delivers a powerful force output of 3400 lbs at 80 psi while only weighing 48 lbs, making it the highest-force, lowest-weight portable railcar vibrator available. The Martin® Impacting Railcar Vibrator provides the force required to activate the free flow of tough materials that are sticky, coarse, and high in moisture.

BENEFITS

- Improves Efficiency**
 Linear vibrator provides powerful force to boost material flow.
- Easy to Handle**
 Lightweight vibrator and shoe make mounting/dismounting a “no-strain” procedure.
- Small But Mighty**
 Compact vibrator and mount assembly provides plenty of power to unload the most stubborn materials.
- Gives Your Back a Break**
 Vibrator and wedge system weighs only 48 lb (21 kg), reducing risk of injury from manhandling large, unweildy vibrators into railcar brackets.
- Guaranteed Performance**
 Impacting Vibrator is covered by Martin Engineering’s *Absolutely, Positively, No Excuses* Guarantee.

SPECIFICATIONS

Model	P/N	Piston	Air Pressure	CFM	VPM	Force	Weight
Martin® Impacting Railcar Vibrator	38851	4 in.	80 psi	25	3000	3400 lbs	48 lbs

ACCESSORIES

Description	Part Number
Female Wedge Bracket (LBF)	12735
Control Line Kit	39504
Air Motor Oil (qt)	14766

NOTES

- Filter/Regulator/Lubricator is required.
- Vibrator operates at temperature 30°F and above.
